

# Closet Door Kits

## 2019 Collection

# Closet Doors

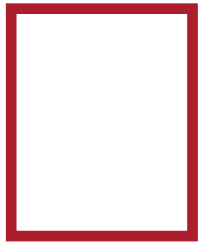

Sometimes, what's within your closet needs a bit of covering up. What better way to do that than with a closet door to steal all of the attention? Our prefinished doors are constructed using stable engineered wood which means they will not warp or crack and require no painting or staining.

# Closet Door Kits

## Bypass System

### Trident

The Trident collection is a modern interpretation of the well known traditional wood barn doors – now for the entire home.

Material	Color
Engineered Wood	Silver Oak

### Lace

The Lace collection combines glam with a little traditional charm, creating a beautiful door for any room!

Material	Color
Engineered Wood & Mirror	Bright White

## FEATURES & BENEFITS

- Pre-finished solid engineered wood will not warp or crack as result of humidity changes in the home
- Durable, scratch resistant, and easy to clean décor finish with a matching fascia
- Tool-free dial-adjust roller provides easy adjustability for out-of-square openings which improves door appearance and operation
- No bottom track keeps floor opening clear and hazard-free
- Doors are finished on both sides

## Harmony

The Harmony collection mixes wood and frosted glass to create the perfect combination of timeless and modern.

Material	Color
Engineered Wood & Frosted Glass	Bright White

## Twilight

The Twilight collection mixes wood and mirror to create the perfect combination of traditional and modern.

Material	Color
Engineered Wood & Mirror	Bright White

## Pivot System

### Crochet

The Crochet collection delicately combines old world charm with a wood grain finish and new design styling.

Material	Color
Engineered Wood & Frosted Glass	Graphite Gray

### Provincial

The Provincial collection combines the comforts of traditional design with modern clean lines and crisp frosted glass.

Material	Color
Engineered Wood & Frosted Glass	Bright White

## FEATURES & BENEFITS

- Pre-finished solid engineered wood will not warp or crack as result of humidity changes in the home
- Durable, scratch resistant, and easy to clean décor finish with a matching fascia
- Top and bottom spring-loaded pivot connectors allows the door to be easily installed and adjusted
- Magnetic catch on the top track keeps floor opening clear and hazard-free
- Doors are finished on both sides

## DIMENSIONS

---

At Renin we believe living is not defined by four walls and a roof, instead, it is defined by where individuals and families spend their time and feel their best. We want to inspire and create accessibility for design excellence to all that want to be a part of it. No two spaces should be alike because no two people are. Our unique, design-centric offerings and vast distribution lets individualization come to life.
