# Easy Latch Barn Door Privacy Hardware Kit

Renin's patented Barn Door Easy Latch Hardware is designed to give you the privacy you need in your home without compromising style or function. Our Easy Latch is compatible with most flat track barn door hardware systems making this a simple DIY installation. Ease of operation makes Easy Latch ADA compliant which is ideal for many commercial and hospitality applications.

## FINISH

Matte Black

## KIT INCLUDES

- ADA compliant privacy lever
- Door side-mounted securing bar
- (2) barn door track end stops
- Barn Door Hardware Kits sold separately

## FEATURES

- The Easy Latch is surface mounted without the need to remove or router the door making the installation process quick and easy
- The locking bar easily mounts to the edge of the door and does not require drilling into your wall or door jamb eliminating any damage to your existing opening
- The easy to operate, American Disability Act (ADA) compliant lever secures the door from the inside providing privacy control in applications such as an en suite bathroom or office
- Easy Latch can be retrofitted to existing doors or on a new install
- Access key allows for door to be easily opened should the lock require opening from the opposite side
