Features & Benefits

- Offset pivot action creates an additional 4" for more complete access to your closet or space
- Increased adjustability for out-of-square door openings improves door appearance and operation
- Easy-Roll connector results in less friction on the track for smoother travel
- Low profile, direct floor-mounted and pre-drilled bottom track for quick installation—Makes cleaning a breeze
- Pre-finished (painted white) molded panel board inserts are easy to maintain and light-weight
- A metal pull attached to the inside frame stile between panels is used to operate the door
