

POSITION DESCRIPTION

POSITION:	FIELD INSTALLER
LOCATION:	HAMILTON & NIAGARA REGION
DATE:	JANUARY 2021

PRIMARY PURPOSE AND FUNCTION:

Join the team at one of the industry leaders in Glass and Door manufacturing and installation. This is your chance to work for a forward-thinking company that puts employees first. This is an excellent opportunity for a subcontractor (Piecworker) who lives near Hamilton & Niagara Region.

The materials will be delivered to a nearby warehouse where it can be picked up. The Installer is responsible for picking up the products, and the installation of all company supplied products. The products include but not limited to, mirrors, shelving, custom shower stalls, sliding closet doors etc. On the job training will be provided.

The position will provide an allowance for using own vehicle and working cellphone.

MAJOR RESPONSIBILITIES:

- Ensure the highest standard of workmanship in accordance with Company and Site Standards
- Obtain daily installation schedules from the Scheduling department, safely load material, and ensure safe and secure transportation to the job site.
- Safely unload materials and distribute all material into the scheduled unit.
- Professionally install and complete the required material per the daily schedule and report all errors or omissions and incomplete work to the scheduling office.
- Maintain professional and positive relations with the Site Personnel and fellow workers.
- Must attend all bi-weekly company communication meetings, and any required site orientations.
- Must be willing to drive to Brampton to pick up materials, if required.

QUALIFICATIONS:

- Must have a valid G license.
- Having own construction vehicle is a plus.
- Must provide at least one additional installer/helper.
- Must have experience installing Mirror and Glass Products.
- Must have Strong Communication Skills.
- Must be accountabe and reliable.
- Must be Customer Service Oriented.
