Barn Door Hardware Kits

Adding the finishing touches to any renovation or decorating project can complete a homes look. Hardware plays an important role in enhancing the style of a space. With a multitude of choices available, factors to consider can include how well a particular style or color complements the overall design theme and how the hardware will function within the space relative to other important decor items. Hardware is like adding jewelry to a room, the personality that makes the room reflect the home owners style and interests.

Barn Door Hardware

WAREHOUSE ITEM

Single Track Bypass Barn Door Hardware Kits

Innovative single-track bypass barn door hardware kit eliminates the bulk of a traditional bypassing system by removing one of the tracks which allows your doors to be closer to the wall. This provides more privacy and space within your room.

Features & Benefits

- Hardened Steel Hardware with offset hangers designed to allow two panels to bypass over an opening on a single flat track
- Each kit includes all hanging hardware for panels weighing a combined 250 lb
- 78" Track is compatible with (x2) 12", (x2) 15", (x2) 18", (x2) 30" and (x2) 36" wide door slabs
- 96" Track is compatible with (x2) 42" wide door slabs
- Doors sold separately

Barn Door Hardware

Bi-Parting Barn Door Hardware Kits

Innovative cable-driven synchronizing technology enables the simultaneous opening and closing of bi-parting doors with just one hand. By pulling on one handle, both doors glide open or closed in unison. Add functionality and versatility with this easy-to-install hardware offering.

MATTE BLACK FINISH

78" Track Length | BD910-07800-MB

78" Track Extension Kit | BD910-07800-MBEXT

83" Track Length | BD910-08300-MB

83" Track Extension Kit | BD910-08300-MBEXT

96" Track Length | BD910-09600-MB

Features & Benefits

- Synchronizing Barn door hardware kit - allows for simultaneous opening and closing of two bi-parting doors. An added convenience, instead of having to open each side at a time
- Can be used with existing doors or as a new installation
- Available in 78", 83" or 96" track lengths. For a pair of doors larger than 24" the additional track extension hardware kit is needed
- 78" Track is compatible with (x2) 12", (x2) 15" and (x2) 18" wide doors. For (x2) 36" wide doors the 78" Track Extension Hardware Kit is also needed
- 83" Track is compatible with (x2) 21" wide doors. For (x2) 42" wide doors the 83" Track Extension Hardware Kit is also needed
- 96" Track is compatible with (x2) 24" wide door slabs
- Doors sold separately

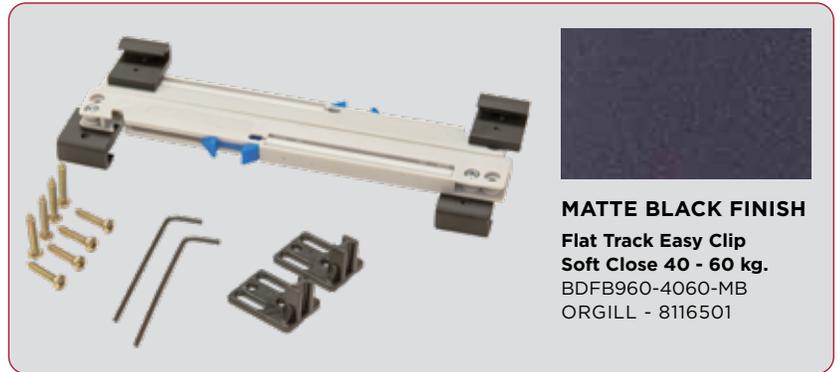

Barn Door Hardware

WAREHOUSE ITEM

Easy Clip Soft Close Hardware Kits

Easy Clip Soft Close attachment is designed to install quickly and discretely onto most flat track barn door hardware kits. This patent-pending low profile innovation is hidden behind the track and can be easily installed in minutes to any new or previously mounted barn door kit. The first of its kind exclusively for barn doors attaches on both ends of the track for smooth travel and effortless open and close functionality.

MATTE BLACK FINISH
Flat Track Easy Clip
Soft Close 40 - 60 kg.
BDFB960-4060-MB
ORGILL - 8116501

Features & Benefits

- The low-profile Easy Clip Soft Close is concealed behind the track and does not affect the look of your hardware
- Kit includes 2 Easy Clip Soft Close attachments for both ends of your track to open and close quietly and effortlessly
- Installs in minutes to most flat track barn door kits. Mounts directly to your previously installed hardware

Easy Latch Privacy Barn Door Hardware Kit

Barn Door Easy Latch Hardware is designed to give you the privacy you need in your home without compromising style or function. Our Easy Latch is compatible with most flat track barn door hardware systems making this a simple DIY installation. Ease of operation makes Easy Latch ADA compliant which is ideal for many commercial and hospitality applications.

MATTE BLACK FINISH
BDF8000-MB

Features & Benefits

- The Easy Latch is surface mounted without the need to remove the door making the installation process quick and easy
- The locking bar easily mounts to the edge of the door and does not require drilling into your wall or door jamb eliminating any damage to your existing opening
- The easy to operate, American Disability Act (ADA) compliant lever secures the door from the inside providing privacy control in applications such as an ensuite bathroom or office

Barn Door Hardware

Spectrum Barn Door Hardware Kits | 125 – 250 lb

Adding the finishing touches to any renovation or decorating project can complete a homes look. A sliding barn door kit plays an important role in enhancing the style of a space. With a multitude of choices available, factors to consider can include how well a particular style or finish complements the overall design theme and how the hardware will function within the space relative to other important decor items. Sliding barn door hardware is like adding jewelry to a room, the personality that makes the room reflect the home owners style and interests.
